For you, the serious sportsman, Wrangler® ProGear has you covered. For concealment, we offer a complete line of camouflage Jeans, Tees, Field Shirts and Jackets in the most sophisticated patterns. And for comfort and protection in the field, we provide an extensive line of Cordura® faced Field Pants, Shooter Shirts and "blaze" Guide Shirts. Wrangler® ProGear - Seriously functional and effective sporting apparel for the serious sportsman.

Again this Fall, Wrangler® ProGear® camouflage products will be available in popular Realtree® patterns as well as Mossy Oak® Break-Up® and Mossy Oak® TreeStand®. Widely accepted as the industry standard, these latest patterns are often referred to as the biggest thing to happen to camouflage since camouflage happened to hunting.
